

Online Exhibition.

Living Stones: Health and Medicine as seen in South Indian Temple Sculptures.

October 04th 2020.

The Division Of Health and Humanities & The SL Bhatia History of Medicine Museum

St Johns Research Institute
Bengaluru.

The following exhibits are based on Dr. Shetty's research in the field of History of Medicine as seen through South Indian Temple Sculptures. The exhibits are extracts from part of his archives housed with the Division of Health and Humanities, St Johns Research Institute (SJRI), St Johns Medical College, Bangalore.

"Military Medicine": Hunting Wounds

Hampi Temples, Hampi, Vijayanagara, 15 C AD
